

The record of the Senate since July is a good one. In spite of unfair criticism and the wrongheaded delays and obstruction of Republicans, the Senate remains on track to meet and exceed the judicial confirmation totals for the first year of the first Bush administration and the first year of the Clinton administration.

Mr. NICKLES. Mr. President I am pleased that the Senate today will confirm two outstanding jurists, Claire V. Eagan and James H. Payne, to be U.S. District Court judges in my State of Oklahoma.

President Bush could not have chosen two finer individuals to serve our country as district court judges.

These individuals are exceptionally well-qualified and will prove to be great assets to the judicial system in Oklahoma and our country.

Judge Eagan has been confirmed to serve as district judge for the Northern District of Oklahoma. She is currently a U.S. magistrate judge for the northern district where she has served for 3 years. Prior to that she served as a litigation attorney with the firm of Hall, Estill for 20 years. During that time, she handled a wide array of litigation as well as significant pro bono work and bar activities.

As a magistrate, she has gained judicial experience in criminal, civil, habeas, and bankruptcy matters. She also supervised the court's settlement program and devoted considerable time to early case resolution.

Judge Eagan is recognized as both a leader and instructor in the fields of trial and appellate practice and alternative dispute resolution. She has served on the faculty at the University of Tulsa College of Law and as an adjunct settlement judge for Tulsa County District Court.

Judge Payne has been confirmed to serve as district judge for the Eastern District of Oklahoma. He is currently a U.S. magistrate judge for the Eastern District of Oklahoma where he has served for 13 years. Prior to that he served as a private practice attorney with the firm of Sandlin and Payne for 15 years, handling civil matters. He also served 3 years as an assistant U.S. attorney for the eastern district. He has maintained an active role in the community by providing pro bono services to several local charitable organizations.

As a magistrate, he has gained experience in a broad range of criminal and civil issues. He has implemented an Alternative Dispute Resolution Program for the Eastern District of Oklahoma, which has allowed him to conduct an average of 100 settlement conferences per year.

Following graduation from the University of Oklahoma College of Law, Judge Payne's 30-year legal career has included military service as an Air Force Judge Advocate General officer.

I thank Chairman LEAHY, Ranking Member HATCH, and the Judiciary Committee for their work on these nominations.

The PRESIDING OFFICER. The question is, Will the Senate advise and consent to the nomination of James H. Payne, of Oklahoma, to be United States District Judge for the Northern, Eastern, and Western Districts of Oklahoma? The yeas and nays have been ordered. The clerk will call the roll.

The bill clerk called the roll.

The motion to lay on the table was agreed to.

Mr. LEAHY. Mr. President, I ask unanimous consent to make an announcement.

The PRESIDING OFFICER. The Senator from Vermont.

Mr. LEAHY. Mr. President, there were a number of hearings scheduled for today and tomorrow in the Judiciary Committee, hearings to be chaired by Senators SCHUMER, BIDEN, and FEINSTEIN, which have been postponed. The reason we have done this is because of all the conditions of rooms and all, so we can save the time for the nominations hearing which has been scheduled for Thursday afternoon to be chaired by Senator EDWARDS, provided we can find the room for it. That will go on. The others are routine hearings which can be done at any time.

**NOMINATION OF KAREN K. CALDWELL, OF KENTUCKY, TO BE UNITED STATES DISTRICT JUDGE FOR THE EASTERN DISTRICT OF KENTUCKY**

The PRESIDING OFFICER. The Senate will now proceed to the consideration of the nomination of Karen K. Caldwell, of Kentucky, which the clerk will report.

The assistant legislative clerk read the nomination of Karen K. Caldwell of Kentucky, to be a United States District Judge for the Eastern District of Kentucky.

Mr. BUNNING. Mr. President, I rise in strong support of the nomination of Karen Caldwell to be a Federal District Court Judge for the Eastern District of Kentucky.

Karen has the qualities that will make her a fine judge—knowledge of the law, calm and respected demeanor, and obvious intelligence.

She has had an outstanding professional career that has prepared her well to sit on the bench. She is a former Assistant U.S. attorney for the district, rising to become Deputy Chief of the Civil Division. From 1991 to 1993, she served as the U.S. attorney for the eastern district. Among the notable prosecutions during her tenure was her office's prosecution as part of Operation Boprot, the Federal sting operation that led to the conviction of a number of public officials and lobbyists in Kentucky.

It was a difficult and complex case, both legally and politically, and she handled it with great skill. In short, Karen's work helped restore public confidence in elected officials in our Commonwealth.

Since leaving the U.S. attorney's post, Karen has specialized in complex civil and criminal litigation at one of Kentucky's leading firms. She has won numerous awards for the quality of her work, and has truly made a mark in Kentucky. It is only natural now that she rise to the bench.

I urge the Senate to support this nomination. The President made a great choice by selecting her for the bench, and she is going to be a fine judge, not just for the people of the eastern district, but for our entire Nation.

The PRESIDING OFFICER. The question is, Will the Senate advise and consent to the nomination of Karen K. Caldwell, of Kentucky, to be a United States District Judge for the Eastern District of Kentucky?

On this question the yeas and nays have been ordered. Under the previous order this will be a 10-minute vote.

The clerk will call the roll.

The PRESIDING OFFICER. The Senator from Nevada.

Mr. REID. Madam President, I move to reconsider the vote.

Mr. DODD. I move to lay that motion on the table.

The motion to lay on the table was agreed to.

#### ORDER OF PROCEDURE

Mr. REID. Madam President, I ask unanimous consent that the time between now and 4:45 be equally divided between the majority and minority for morning business, with Senators allowed to speak therein for up to 10 minutes, with the exception of Senator DODD who wishes to speak for 10 minutes; that at 4:45 the Senate would move to H.R. 2506, that the committee substitute be agreed to, that it be considered original text for the purpose of further amendment, and that no point of order be waived.

The PRESIDING OFFICER. Without objection, it is so ordered.

The Senator from Connecticut.

#### PHARMACEUTICAL PRODUCTS, BIOTERRORISM AND OUR CHILDREN

Mr. DODD. Madam President, I have two subject matters I want to address. I will take the first 10 minutes or so with my colleague from Ohio to talk about the issue of children and bioterrorism, a matter I shared for many years working with the Senator from Ohio particularly dealing with pharmaceutical products and testing for pediatric cases, children. I want to take a few minutes to talk about some thoughts we share together about the subject matter.

The second subject matter is about the recent, very positive news today coming out of Northern Ireland. In the midst of a lot of bad news, we have heard the news today out of Northern Ireland that a decommissioning process has begun and is underway as I speak, and that finally, the real opportunity for lasting peace in Northern Ireland is at hand. I am sure my colleague from Massachusetts, Senator KENNEDY, who spent has worked tirelessly over many years to reach this day, will shortly have some comments and thoughts he would like to express on this subject matter as well.

Let me express, on this first subject—and I see my colleague from Ohio—and talk about the issue of bioterrorism and children. We know there is a lot of work going on right now in trying to put something together.

Last week, as some of our colleagues may know, Senator DEWINE and I were able to pass unanimously in this body—by the way, we thank all of our colleagues for their support. Certainly, the chairman of the committee, Senator KENNEDY, deserves a great deal of credit for working out a package for which we were able to garner the unanimous support of our colleagues to pass the Best Pharmaceuticals for Children Act, which is designed, as I think many of our colleagues know, to induce the industry to develop products specifically designed for children.
